

David Eteaki

14 Intense Head Coach

David Eteaki's official coaching career began 12 years ago, but his love for the game developed many years before that.

As a parent of a former volleyball high school and college volleyball player, he knows how important it is to see a player develop both individually AND as a part of the team. He strives to encourage players to grow and be competitive but still have a lot of fun while doing so.

David coached for over 7 years at Texas Image Volleyball for U13, U15, and U17 teams. He is beginning his 6th year with Integrity Volleyball and has coached 15U and 16U teams. Another special advantage of coaching is that he gets to team up with his daughter, Brittany as his assistant coach. Together, they encourage and inspire everyone in the gym!!

He is a highly sought after coaches who works many clinics and private lesson sessions.

Anyone who has ever been around David on the court will tell you that he loves his players yet pushes them to reach inside of themselves to give more than they ever thought that they had. No matter where he goes, he is surrounded by former players that love and appreciate him!

David is excited to be a part of Integrity Volleyball and can't wait to see what the season brings!
