

Hillary Boudreaux

13 Select Head Coach

Hillary grew up in North Richland Hills, TX and played volleyball at Richland High School. She played on varsity every season, excluding her freshman year when she sat out due to a severe ankle injury. Boudreaux was team captain for two years and awarded First Team All-District in her junior and senior years. During this time, she also played club volleyball at Texas Advantage Volleyball Club. Hillary played on the second elite travel team TAV 17 Molten as a junior and on TAV 18 Molten as a senior.

Late in her senior year, Hillary was offered a scholarship to Midwestern State University and signed to play with the team in October 2007. Boudreaux played all four years at Midwestern State in the Lonestar Conference (2008-2011). She was team captain her senior year and was awarded multiple conference awards throughout her career.

In addition to playing volleyball and maintaining her academic status, Hillary coached at Clay County Volleyball Association (a small volleyball club in Henrietta, TX--right outside of Wichita Falls) for two years. Today, Hillary keeps her volleyball skills sharp by playing co-ed rec volleyball every Thursday at the North Richland Hills Recreation Center. This is Hillary's third year coaching at Integrity Volleyball.
